Carri F. Seales

# Dedication/In Memory

The Class of 1982 wishes to dedicate this yearbook to the memory of Carrl F. Seales, who past away February 9, 1982.

Uncle Carrl, as he was known to all, was N.B. Voke's equipment manager for fourteen years.

He believed that Voke students were the best people in the world, he truly belived in us, even when everyone else had their doubts. To us he was much more than an equipment manager, he was a dear friend who was deeply loved, and who loved us all very much.

We will never hear another story told in his own speacial way, or hear him call out "Hi Lamb Chop", the memory of our Uncle Carrl will live on in the hearts of all the students especially the athletes, forever.

## Hold On To Your Dreams

*Hold on to your beautiful dreams, lad  
The dreams you have loved as your own,  
Though life seems to blast on to shake them,  
Hold on to the best you have known.*

*Life may seem cold, hard, and bitter,  
And dreams seem but futile and vain,  
Keep fighting, your dreams are worth it,  
And there's many a joy with each pain*

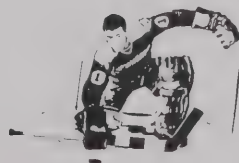

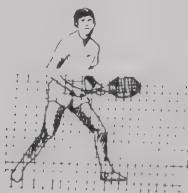

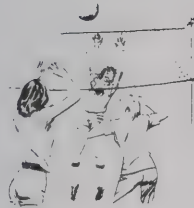

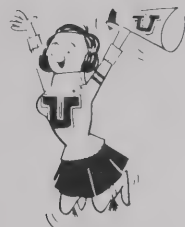

*Your dreams will come true with patience,  
And then what a gift to be shared!  
For there's many a soul that's just waiting,  
For the fruits of the dreamer who dared!*

# JV's

The 1981 Varsity Soccer team had it's worst year in my five years of coaching at the Greater New Bedford Regional Vocational Technical High School. This poor Showing was not only evidenced by the poor turn-out of athletes in the program. At the peak, early in the season, there were only 15 players carried on the Varsity roster. With the attrition of 4 players, the team strenght dropped to 11 players, and on more than one occasion due to minor injuries we were forced to play with less than a full team on the field. By the middle of the season, the JV program ceased to exist as a separte entity, and the teams were combined to make one.

1st row left to right: J. Medeiros, S. Camaria, M. Conchinha, S. Boucher, B. Martin, J. Souza. 2nd row: Coach Mr. R. Reinecker, Manager D. King, M. Wunschel, F. Tavares, M. Vascon cellos, G. Peirreira, G. Magalhaes, A. Camaria, S. Arujo, J. Bouvier.

# Hockey

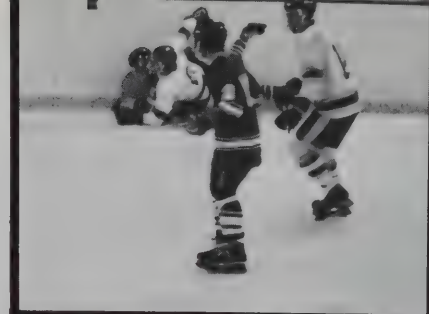

This season was a disappointing one. The division record was 1 - 7 and the overall record was 3 - 12. We had several close games in which a break for us would have changed the end result. The team played some good hockey but inconsistency proved to be the downfall.

The Junior Varsity had a good season compiling a 5 - 5 - 1 record.

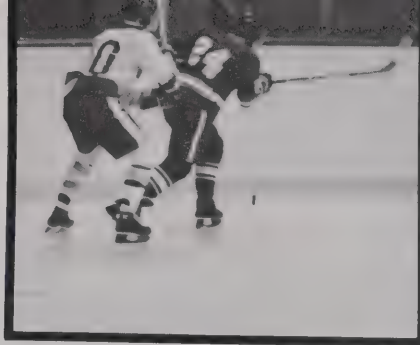

The leading scorers for the Varsity were Scott Santos and Troy DeMoranville with 18 points and Ron Medeiros with 15 points.

## Softball

It was Voke Tech's first season competing in girl's softball. The girls improved by each game and ended with a record of 2-12. As a team Voke hit the ball well and on the field they learned with each game. Voke Tech graduated 2 girls ( Linda + Lori Charros ) who were our Captains and contributed some much to the team this past season. With postive attitudes, the girls ' team has potential to win and developpe the program into a successful one.

# School Days and Teenage Nights

Thinking thoughts, dreaming dreams,  
Going to dances, devising schemes,  
Planning parties, taking tests,  
Always remember, never forget.

School days and teenage nights,  
Getting cars and motorbikes,  
Watching T.V., drive-in shows,  
Where's time gone - no one knows?

Chasing guys and girls, going wild,  
Mom still treats you like a child,  
Home by ten, asleep by eleven,  
Up in the morning for school at seven.

Graduation comes at last,  
We reminisce about the past,  
Our high school days have been the best,  
I'll always remember and never forget!
